

IN THE UNITED STATES DISTRICT COURT  
DISTRICT OF MINNESOTA

---

IN RE: BAIR HUGGER FORCED AIR      MDL No.: 15-md-02666 (JNE/FLN)  
WARMING PRODUCT LIABILITY  
LITIGATION

This Document Relates To:

WILLIAM QUINAN,

Plaintiff,

Civil Action No.: 17-CV-03445-JNE-FLN

---

**PLAINTIFF'S RESPONSE TO DEFENDANTS' MOTION TO DISMISS**

NOW COMES Plaintiff, William Quinan, identified in Defendants' Motion to Dismiss for Failure to Comply with Pretrial Order No. 14 [Dkt. 1124], and by and through undersigned counsel submits this, his Response to Defendants' Motion to Dismiss, and would respectively show the Court the following:

1. In August of 2015, Mr. William Quinan contacted undersigned counsel regarding an infection and subsequent treatment that he experienced due to the use of a Bair Hugger patient warming device during an orthopedic surgery.
2. Counsel worked to obtain medical records and billing records to move forward with the case. Those records indicated that a Bair Hugger device was used during the original surgery.
3. On July 31, 2017, counsel filed the current action to comply with what was identified as the applicable statute of limitations deadline for the relevant claim.

4. Efforts to have Mr. Quinan complete the Plaintiff Fact Sheet have been complicated by the inability to contact the client. Counsel for Plaintiff believe that additional time could allow them to contact Plaintiff and complete the Plaintiff Fact Sheet.
5. While counsel has diligently continued their attempts to contact Mr. Quinan for several months, those efforts have not been successful to date.
6. As a result, counsel has not been able to obtain the necessary information to complete the Plaintiff Fact Sheet for this claim.

Accordingly, undersigned counsel request that the current action not be dismissed with prejudice and that Mr. Quinan be given an additional sixty (60) days to contact counsel in order to provide the necessary information to cure any alleged deficiencies with the Plaintiff Fact Sheet and to continue the case.

Dated: March 8, 2018
